Subject : revival of unintentionally abandoned applications 10/760,075 and 10/505,469

Dear Sir,

I apologize to contact you so late, related to your notice of abandonment of the 2 applications above mentioned, I received at the end of February:

In 2006, an attorney was supposed to take in charge the answers to your letters mailed respectively on July 7<sup>th</sup> and 17<sup>th</sup> 2006. I am very surprised that you received no reply.

I would like to revive these applications which were unintentionally abandoned. Could you tell me if I can fill a petition according to § 1.137 to revive these 2 applications ?

Thank you in advance for your comprehension and your quick answer.  
Feel free to contact me at any time.

Best regards,
